

DRM[®] Opaque

Outstanding opacity and a brighter sheet

Features/Benefits

- Outstanding opacity to minimize show-through
- Brighter sheet for increased contrast and excellent print performance
- Consistent performance on a wide variety of high-speed converting equipment
- Designed for enhanced flexographic and offset printing; suitable for inkjet applications
- Available in smooth or vellum finish
- Available with 10% post-consumer fiber upon request

Your best choice for envelopes requiring increased security or privacy, greeting cards and retail.

Opaque Envelope
