From reel to real

JETSTAR

JETSTAR ROYAL

Jetstar™ is a high-speed, inkjet-optimised, smooth, uncoated paper for reel-fed digital printing systems.

Jetstar™ Royal has been engineered with a smoother surface to give print-outs a coated feeling.

Both offer outstanding colour performance and are widely used for a broad range of applications.

For free samples and to schedule a test at your facility, please contact us: inkjet@sylvamo.com
